Camley Street Natural Park

Love London, Love Nature

London Wildlife Trust is dedicated to the protection of London's wild spaces and engaging London's diverse communities in nature through our free nature reserves, education, volunteering and campaigning.

Our vision for London is a city where wildlife and wild spaces are protected for the future, and where all people treasure wildlife and wild spaces.

The site was once a coal drop for the nearby station, which was demolished in the 1960s. It had been colonised by nature so the Trust ran a campaign to save the site from development and create a nature reserve; which opened in 1985.

The contemporary Visitor Centre has multiple sustainable features; including a natural cooling and ventilation system

and rainwater run-offs. The woodland, grassland and wetland habitats provide a rich space for birds, butterflies, amphibians, and plant life to nest and grow in the city.

The profits raised from events and venue hire directly support our vital work protecting London's wildlife.

Venue Spaces

Sitting on the banks of the Regents Canal, this two-acre wildlife haven is our most central venue. With King's Cross and St. Pancras on our doorstep, this location makes it a perfect venue for wildlife lovers looking for a convenient city destination.

FURNITURE

There are 80 wooden folding chairs and 10 simple wooden trestle tables available for use as well as café seating for evening events. If additional furniture is required or you require exact measurements then please discuss with your Event Planner.

CAFÉ & VISITOR CENTRE

Please note the reserve is open to the general public 7 days a week from 10am until 4pm (Oct-Mar) 5pm (Apr-Sep) and the toilet facilities are shared.

SECURITY

For evening events and events serving alcohol, we are required by our license to have a member of security staff. This cost is included in the venue hire.

A woman with short blonde hair, wearing a teal jacket over a black and white patterned top, stands at a black podium with a microphone. She is smiling and addressing an audience. The background is a large projection screen showing a photograph of a woman in a teal jacket standing in front of a large, circular, metal structure, possibly a water tower or observation deck, with greenery in the foreground. The audience is seen from behind, with some people wearing dark green jackets with the London Wildlife Trust logo and website address on the back. The scene is set in a room with large windows or glass walls.

“Thanks so much for everything in the run up to the event. Everyone had a great time and absolutely loved the setting and what LWT do at Camley Street. Massive thanks to you and your team on the day”

FAQs

OUR MOST ASKED QUESTIONS

1. What decorations can I bring?

You can decorate the interior areas with flowers, candles (in holders) & free standing props. For environmental reasons we do not allow balloons, fireworks or glitter.

2. Is there parking?

No, there is no parking available on site. There is a small entrance way for deliveries to be dropped off but all vehicles must be kept offsite.

3. Can I leave items overnight following the event?

The venue is extremely limited on storage space and is in frequent use so all items will need to be taken off site by the end of the hire time.

4. Can I use my own suppliers?

Due to our unique space, we only allow suppliers from our approved list who have been through the assessment process. For any event requirements not currently covered by the list, please speak to your Event Planner directly.

5. Can my guests go in the nature reserve?

Guests are welcome to walk freely around the nature reserve in daylight hours, but glass is strictly prohibited and so we would restrict access once the bar is open during evening events. During the winter (Oct – Mar) access to the nature reserve in the evening will be assessed on a case by case basis.
